

Privacy Policy for Twitter Schedule Shortcut

Effective Date: May 2 2024

This privacy policy governs your use of the software application Twitter Schedule Shortcut (“Application”) that was created by Temirlan Abdibali uulu. The Application is a Chrome extension designed to enhance the functionality of X’s (formerly twitter) post scheduling modal by adding quick scheduling buttons that allow users to set date and time inputs for scheduling tweets more efficiently.

0. Development

The Application is based on a commonly used extension boilerplate. For more details about the boilerplate used in the development of this Application, please visit <https://github.com/Jonghakseo/chrome-extension-boilerplate-react-vite>.

1. User Provided Information

The Application does not require any user registration. It does not collect or transmit any personally identifiable information about you, such as your name, address, phone number, or email address.

2. Automatically Collected Information

In addition, the Application does not collect any information automatically, including, but not limited to, IP address, browser information, and usage statistics.

3. Does the Application collect precise real-time location information of the device?

This Application does not collect precise information about the location of your mobile device or computer.

4. Third-party access to information

The Application does not transmit any information to third-party services. All interactions are confined to the local execution within the user’s browser to manipulate Twitter’s scheduling modal based on the content scripts of the Application.

5. Data Retention Policy, Managing Your Information

Since no personal data is collected, retained, or used by the Application, there are no means or requirements for data management by the user.

6. Children’s Privacy

This Application does not solicit or knowingly collect any personal information from children under the age of 13. In the case a person under the age of 13 submits information to this Application, we do not retain the information once we discover the person’s age.

7. Security

We are committed to safeguarding the security of our users’ information. However, remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

8. Changes to This Privacy Policy

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes.

9. Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing" means using cookies on a computer/hand-held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining, and disclosing information.

10. Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at 12tem (the at symbol) [outlook.com](mailto:12tem@outlook.com) .
